THANK YOU
Mom, Dad, Cheryl, Violet, Joe and Julie and the extended family for your love and support. Doug Organ for being the biggest musical influence in my life since the day we met, for making this album possible, and many other things too numerous to name here.

Thank you also to Jim Head, Remi Audy, Tom Gilroy, Bob Cairns, Lisa Lorenzino, Colleen Brown, Jamie Cooper, Arun Bhaumik, George Koufogiannakis, Colin Cripps, Jamie Philp, Janet Chipley, Neil Matthews and Ric's Grill St. Albert, Rod and Gavin at Acoustic Music Shop, Jasiek and the Yardbird Suite, my first band Root Stew, my second band roger, all the other musicians I've had the pleasure of working with, all the amazing and talented players on the album, thank you for bringing your brilliance to this project. A final thank you to all the people I am inevitably forgetting here.

I hope you enjoy my first musical offering.
